All Change for Elevenses

The Studio which was acquired by Lancaster Men's Hub in 2023, is now fully opened as "the hub of the Hub" on Friday mornings for our traditional Elevenses. For five years now we have used the Cornerstone for this important part of LMH's activities and we are incredibly grateful to the Cornerstone and Lancaster Methodist Church for the use of their premises to launch and develop Lancaster Men's Hub. The Cornerstone will continue to play an important part in the activities of the Hub with, for example, the affiliated Music Cafe continuing to operate there every Monday afternoon. However, the more informal setting of the Studio has proved to be a very successful venue for Elevenses, with three rooms in use, including the central sitting room, and the kitchen has proved well able to provide the essential refreshments! The kitchen team has transferred seamlessly to the Studio, and we look forward to this fabulous asset being utilized more frequently and being in use for the whole of Friday in addition to the many events that take place in it during the week. For those who wish to join us on a Friday morning the Studio is situated behind St Thomas' Church and is accessed via Peter Street, which runs off Marton Road, opposite the entrance to Lancaster Police Station. Come along and try out the new facility; you will be made very welcome there.

Come and meet Lancaster Men's Hub.

Every Friday the men (and women) of Lancaster Men's Hub meet for Elevenses, a free coffee and lunch drop-in at the Studio on Peter Street, behind St Thomas' Church off Marton Street. Come along for a coffee and a bite to eat, join in the chat and find out what is going on in the Hub; you 'll be very welcome.
